Create a Memory

- ◊ A personalized engraved brick, set in the lovely pathways of our Memory Garden, is a unique way to remember a loved one, honor a dear friend, or celebrate life's great memories.
- ◊ Professionally engraved bricks are ordered in groups and placement in the Gardens requires building a section of walkway.
- ◊ Bricks will be inscribed with the donor's name, a tribute to a loved one or a message to honor a respected individual or organization. All proceeds from this walkway will go towards funding the addition and renovation of the animal shelter.

To order a brick, complete the form below and mail your donation of $75 to:

Friends of the Scituate Animal Shelter
PO Box 14
